

Hello Mission Meadows Families!

This year our school will be participating in "Caps for Kids' Cap Day," benefitting children across the country who are battling cancer.

Some of you may have heard and supported our own kindergartner, Mia Irvine, after her recent diagnosis of Leukemia. This brave little girl is going through a lot of difficult and painful procedures, and she has a long road to recovery ahead of her. Your prayers, cards, gifts, and support through her [Go Fund Me page](#) is really helping her and her family get through each day.

We want to host a "Cap for Kids" day at Mission Meadows on March 26th. "Caps for Kids" is a national nonprofit organization that puts smiles on the faces of children with cancer by providing them with a ball cap autographed by their favorite athlete, actor, singer, or hero of their choice. Mia choose Minnie Mouse, and already has her cap! That's her in the photos at the top of this letter, so cute!

To participate, on Friday March 26th, wear your favorite, crazy, colorful, special hat to school and bring \$1 to donate to the "Cap for Kids" program. If you are a Virtual family, or want to support "Caps for Kids" using the link, here it is:
<https://capsforkids.kindful.com/?campaign=1113468>

100% of the money raised will purchase more caps to spread love and awareness to children everywhere fighting cancer.

Let's show Mia that we are all fighting for her too.
